Compassion Is Wisdom

To be consistently happy in this life you must be wise. To be wise you must be compassionate with yourself and with others. This retreat will follow the Buddha's practical, clear, and inspiring map of awakening wisdom and compassion in our hearts and minds. Practicing Insight Meditation and Lovingkindness we will gradually open from ill will to kindness, from clinging to freedom, from confusion to clarity, and from tension to ease of being. There will be opportunities for practice discussions. This retreat is suitable for new and experienced meditators.

Insight meditation, which has been practiced in Asia for 2,500 years, develops concentration and awareness through focusing the attention on the breath, thoughts, and emotions. It allows one to see the conditioning of the mind and live more fully in the present moment. This weekend we will come together to practice a natural and direct way of being, supported by the awareness practices of Buddhist meditation. Retreats are held in noble silence with alternating periods of sitting and walking meditation.

Cost: The fee is \$390 by check and \$400 by PayPal and covers only the operating costs of the retreat, including fees to the Houston Zen Community for the Center, and the cook. *It does not include any teacher compensation, as the tradition dictates that the teachings of the Buddha be freely given.* Participants customarily give good will donations (dana) to the teacher at the end of the retreat.

All meals (vegetarian) will be provided. Separate bunkhouse sleeping accommodations are provided for men and women; each of the bunkhouses has two complete bathrooms. You may bring a tent if you wish to camp on the grounds. You will need to bring a sitting cushion, pad, and bench for meditation. Folding chairs are also available. In addition, you will need sheets, pillow, blanket, towels, toiletries, a flashlight, and earplugs, if you're a light sleeper.

We strongly encourage participants to reside at Auspicious Cloud Retreat Center. Under special circumstances, however, permission will be granted to stay off campus. Requests, with an explanation of reasons, should be included in the "Special Comments" section of the on-line retreat application. Participants staying outside the Center are expected to participate in the full day's schedule and to remain in retreat mode, keeping silence, in their off-site accommodations.

Noble Silence

During the retreat, you will be requested not to speak to your fellow retreatants. When the teacher gives lectures he may allow you to speak to ask questions. "Thinking" about what to say often brings tension because we want to choose the right words to project a positive self-image to others and of seeking their recognition and approval. Silence helps us focus on present moment experiences and helps us maintain the meditative state for longer periods of time.

Retreat Etiquette

Please do not wear scented products or fragrances, such as scented shampoo, lotion, shaving cream, perfume, cosmetics, or any product containing fragrance while you are at the center. Do not use your cell phone to call, text or email during the retreat. See the retreat manager for emergency calls. The manager's phone number will be provided before the retreat.

Directions to Auspicious Cloud Retreat Center are below!

Directions to Auspicious Cloud Retreat Center:

- The Center is located about 65 miles from downtown Houston. The drive time is about one hour and twenty minutes.
- Travel Hwy 290 West through the town of Hempstead. Stay on Hwy 290.
- 2.5 miles beyond the Brazos River, turn left onto TRACKSIDE ROAD. Your first landmark is the Brazos River. Then you will see a large white stone sign saying "Welcome to Washington County." The Chappell Hill Meat Market is your next

landmark, on your right. Not too far after that, you will see “Log Homes” on your left, including three model homes. Get in the left lane. There are three left-turn turn-ins: one at the bottom of the hill where the log homes are, and two at the top of the hill. Take the second turn-in at the top of the hill, and that’s Trackside Road (there is a small green sign on the right of the highway, but it’s hard to see).

- If you reach a traffic light (Chappell Hill), you’ve passed the turnoff to Trackside Road. Turn around and go back 1.8 miles from the light back toward Houston to Trackside Road.
- On Trackside Road, go 1.6 miles to the gate of the Center. The road winds. At 1.6 miles, it makes a 90-degree turn to your left; the Center is right in front of you, on the right-hand side of the road.
